Imagine It!
Third Grade Vocabulary
Unit 3

Special thanks to San Juan School District for their contribution to these vocabulary PowerPoints.

For Granite School District Use Only
Sample Vocabulary Schedule

- **Day 1:** Introduce vocabulary words (PowerPoint: each word has a slide with sentence from story, student friendly definition, pictures and words used in context)- 15 min.
- **Day 2:** Vocabulary Warm-up (Word Learning Strategies)- 15 min.
- **Day 3:** Part 1 Deepening Activities (PowerPoint) 5 min.
- **Day 4:** Part 2 Deepening Activities (PowerPoint) 5 min.
- **Day 5:** Review 5 min.

*Vocabulary can be reinforced throughout the week, using Imagine It Skills Practice Book, Vocabulary graphic organizers, Vocabulary notebooks, Word Wall, etc…

For Granite School District Use Only
Deepening Activities

• **Juxtaposition:** (Two objects or texts that oppose one another) I’m going to ask a question. If it could happen, give me a thumbs up. If not, then give me a thumbs down.

• **True or False:** Read the sentence, when I give you the signal tell me if the statement is true or false.

• **Discussion Prompts:** Use the prompts to start a discussion at your table or with a small group. Use the vocabulary words and their meanings in your discussion.

• **Missing Word:** We will read a sentence together. A word is missing. Think about all of the vocabulary words for this story. After the sentence is read, I will give you think time to decide which is the best word to finish the sentence. When I give you the signal, say the word.

• **Finish the Idea:** I have a sentence that needs an ending. I’ll give you an example, and then you can make it your own.

• **Word Association:** I’m going to ask a question. I want you to think about which of our words it reminds you of. When I give the signal, you tell me the word.

• **Have You Ever?** Think about the meaning of the vocabulary word. Turn to your neighbor and tell them if you have ever….

• **Example or Non-example:** Think about our vocabulary words. Is the statement an example or non-example of the word? When I give you the signal say the “vocabulary word” if it is an example if it is a non-example say “not _____ (vocab. word)”
Unit 3 Lesson 1

IT’S A DEAL

For Granite School District Use Only
deal
n. an agreement

It’s a deal.

Grade 3 Unit 3 Lesson 1
• When I was little I made **deals** with my brother all the time. Once I made a **deal** that if I cleaned our room, he would wash the dishes.

• Mr. Black made a **deal** with the teachers that if their students read 100 books in each class he would come to school in a hula skirt.

• Talk with your table buddies about **deals** you have made with friends or someone in your family.
ancient
adj. very old

You have just bought Jerry’s truck by using an ancient system called barter.
• My bedroom furniture is very ancient. My parents purchased them when I was 5 years old and I am 45 years old now.

• My dad brought back some ancient coins from Thailand.

• Turn to your shoulder buddy and tell them about things that you think are ancient.
traders

n. people who buy and sell things as a business

Over the years, traders figured out what people in their part of the world always seemed to want.
• Trading posts were places that traders would bring their goods or products into exchange for things they needed.

• When we go to the store and buy things we are a kind of trader. We are trading money for products or services.

• Share with your table buddies, if you were a trader what kinds of things would you have to trade with others?
worth

n. the amount someone is willing to pay for an item, the value of something

How does the worth of an item that is easy to get compare to the worth of an item that is hard to get?
• My shirt is **worth** thirty dollars.

• My great grandma gave me a ring that is **worth** a lot more than money to me.

• Some old cars are **worth** a lot more money than brand new ones.

• Share with your shoulder buddy something that is **worth** more than money to you.
valuable
adj. worth much money

After a while, they started to use valuable metals to trade.
• **Valuable** information will help us find the treasure.

• Some things are very valuable to me that are not very **valuable** to others, like my family picture.

• A hoe is a very **valuable** tool for a gardener to have.

• Share with your across the table buddy, what is a **valuable** tool that you have in your house? What about at school?
Finally people in a country called Lydia figured out a solution.
• Our **solution** to lunchroom congestion is using a lunch pass.

• We need to find a **solution** to our constant power outages.

• Replacing the shingles on our roof was a great **solution** to all the leaks we used to have.

• Talk with your table members about what your **solution** is to keeping your bedroom clean.
kingdom

n. a country that is ruled by a king or queen

 Almost three thousand years ago, they stamped their king’s special mark, a lions head, on each piece of metal used for money in the kingdom.
• In the movie, “Lord of the Rings”, there are many **kingdoms**. Some of them are very large and others are small **kingdoms**.

• Most **kingdoms** have a King and a Queen.

• Share with your partner, if you ruled a **kingdom**, what would be your most important job?
eventually
adv. finally

But, eventually people got tired of carrying around all that metal.

The baby will eventually be born.
• I had to take my driving test three times before I **eventually** passed it.

• Each day, I helped my baby brother practice walking. **Eventually**, he walked by himself.

• I fed my hen and checked it’s eggs daily. The chicks **eventually** hatched.

• Talk with your table members about something good that happens **eventually** when you practice. Say, “This **eventually** happens when….”
forms
n. kinds; types (of something that has various differences)

These notes were the earliest forms of the paper money that we use today.
• We have many different land **forms** in our area.

• Popcorn comes in many **forms**. Microwave and air popcorn are just two kinds.

• The old man up the street has a rare **form** of cancer.

• One of my favorite **forms** of entertainment is reading a good book. What are some of your favorite **forms** of entertainment? (ex. Movies, board games, playing football…)

For Granite School District Use Only
Part 1: Deepening Activities: True or False
